Vendor Application 2021

Thank you for your interest in selling at the Southside Community Farmers' Market, a farm and food-focused market. in the South Cushman neighborhood. As a vendor, you may sell fresh produce, meat, eggs, honey as well as locally produced food products (no hot prepared food), fresh-cut flowers and farm or garden-based value-added products. The market is held on Tuesdays from 4 -7pm at the South Fairbanks Assembly of God (24th and Rickert), June 8th through September 29th, rain or shine!

This year, we will host a pre-order pickup for customers between 4-5 and an in person market from 4-7pm. As a vendor, you are welcome to sell at either or both!

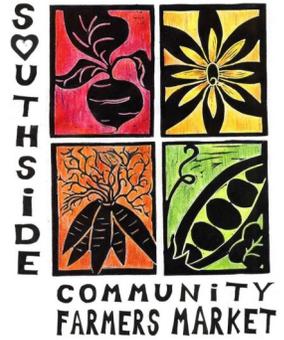

The vendor fee is 5% of your daily preorder and/or market sales. We ask vendors to have any preorders there ready for pickup no later than 3:30pm and/or to be set up and ready to sell at the in person market no later than 3:45pm, and to remain set up until 7 pm (unless you completely sell out before that time!). You are responsible for your own table and tent for your booth space. If you are just dropping preorders, you can drop and go - we'll handle the customer pickup part!

The Southside Community Farmers' Market accepts cash, check, credit card, Food Stamps, WIC and Senior Coupons as payment for products. We also offer market-wide Pay What You Can Discounts of up to 50% off on produce, eggs and bread. Cash and check will be paid directly to each vendor by the customer. Southside will use a token system for Food Stamps, WIC, Senior Coupons and Credit Cards (if you aren't able to take these yourself). Customers using these forms of payment will pay at the Market Information booth and be given wooden tokens equal to the dollar value of their payment to make purchases at any market stand. Vendors will exchange all tokens for cash at the end of each market. We will also reimburse vendors for any discounts given to customers at the end of each market.

Covid Safety - We require all vendors and customers to wear masks at all times and will provide hand sanitizer for each vendor for their table. Complete Market Covid Safety Guidelines will be sent out to all vendors in May.
